We the staff have had as our purpose to create a yearbook which is truly representative of life at Normal. In a sense we have departed from the usual "theme" of past volumes to give you a modern annual. If you consider the 1943 POTPOURRI a welcome change, then we will be justly rewarded for our efforts. With this objective we present the 1943 POTPOURRI...

Under the guidance of Dr. Joe Farrar many changes have been made during this college year. The greatest of these was the selection of Normal as a Navy Flight Preparatory School. Much credit goes to him for having the foresight of making the arrangements to get this school.

Two important new members were added to the administration this year when Dr. Andrew W. Hunt was chosen Director of Student Welfare, and Mrs. Iona Berry was appointed Dean of Women. Their first project was the changing of rules regarding date nights.

A great loss was felt when Dr. Marvin S. Pittman resigned as Director of Instruction in February to become President of Georgia State Teachers College.

The STUDENT

The Student Body Association was formed on the Normal campus sixteen years ago to permit the students to regulate all matters pertaining to student life that do not interfere with the policies of the Administration.

The Student Council, executive of the Association, is composed of fourteen members, eleven elected and three coming from campus religious organizations. The Council has supervision of the other student organizations in matters pertaining to general student welfare.

Two major programs were carried out by the Council during the 1942-43 session of the college. The first was a successful campaign to increase, both in number and length, date nights for women students. The second was the sponsorship and co-ordination of student participation in the war effort.

Miss Cooley has issued a call for local students to tithe their free time for national defense. Recommending that 108 hours of the 168-hour week be devoted to such necessary items as sleep, meals, classwork, etc. Miss Cooley points out that every local student should devote at least one tenth of the remaining 60 hours, or six hours, to participation in war work.

The dinner Monday night will quicken the pace of mobilization of local students. Each president who attends the dinner will have an opportunity, to learn of, and help make, plans for the enrolling of every member of his organization in some activity for national defense.

PURPLE JACKET CLUB

With the distinction of being the oldest honor organization on the campus, the Purple Jacket Club, having a complement of ten sorority and eleven non-sorority women, serves the college and student body as their official representatives, and in other capacities whenever called.

To many people it seems that their work is done while functioning as a body, but each girl strives as an individual to better her service toward the college, and to uphold the traditional themes of loyalty and service that are so ever-present in each year's group of Purple Jacket girls.

At the end of the year the members choose new girls from the Sophomore and Junior classes to replace those who graduate. Selection is based upon scholarship, leadership, willingness to serve, and loyalty to the college.

M U S I C

The Swing Kings have played an important part in the college life of Normal students for many years. This year more than ever they did their part by providing entertainment for the college and donating their services to many charities.

This year's Swing Kings were badly hurt when some graduated and others were called into the armed forces.

This year's members were: Crowell Eddy, leader and first trumpet; Milt Chapman, tenor sax; Elliott Ginsburg, alto sax; Charles Raggio, alto sax; Sammy Griffin, tenor sax; Willard Hollenshead, string bass; Doris Leone, pianist; Lester Cifreo, trumpet; Russell Cronin, trombone; and John "Bully" Howell, drums.

The band's three majorettes.
David, Hall, Callender.

With Dwight G. Davis beginning his second year as director, the 50-piece concert and marching band opened its season as successor to one of the most colorful and musically excellent organizations of its kind in this section. In spite

B A N D

of heavy losses in personnel to the armed forces the 1942-43 band managed to maintain that reputation. Appearing at every home football game and traveling to Shreveport for the State Fair grid classic, the local musicians came to be hailed as a favorite in the Ark-La-Tex area.

Director Davis and a number of key men entered the service at the end of the first semester but, with Gilbert T. Saetre directing, the band continued its good work.

Throughout the year, the band was praiseworthy as both a musical and a public service organization.

The 1942-43 Concert Band.

The 1942-43 A Cappella Choir.

C H O I R

The fifty-voice A Cappella Choir was hard hit by war-time limitations as to travel and personnel, but Director Walter Mason's group gave complete satisfaction in a number of local appearances. Justly famous as the oldest and finest such group in the state, the choir was warmly received by campus and community audiences.

One road trip, to Shreveport during the fall semester, was also a pronounced success.

Director Mason, in his second year on the campus, is to be congratulated for his success in holding together one of the campus' outstanding

musical organizations in spite of the difficulties now facing all normal aspects of college life.

Director Mason.

Dear Roomie.

Since "saw" got my picture, I suppose the one on this page will do even though it flatters me so much.

Hon. I think you are one of the sweetest people I have ever known. And you're the top on the list of my ~~best~~ friends. I think you have been the grandest roommate!! Darling, I have enjoyed sleeping with you, eating with you — in fact, just plain living with you. You've been a good "old man" and I certainly hope when I return to old Normal I may again have the privilege of rooming with you.

Remember all of those "chats" and heart-to-heart talks we've had about our "men"! Remember that visit to Logansport when you did not get to see it. and how it rained that night!!

Remember our learning to dance and our "Cadet" friends. Don't forget the play parties, "The Taming of the Shrew" and riddles of other things we've done.

Hon. I have had more fun with you. Don't forget how I make you laugh and act silly like me. Ha!

Be as sweet always as you are now and don't forget that "old man". He's wishing loads of happiness and success to one of the sweetest pals I've ever had. the sweetest at Normal. I love you lots and won't ever forget you.

adieu, adieu

Dear Messrs. Dobson and Stothart:

I bend low from the waist to 1943 Potpourri for honoring me with the pleasant task of judging its beauty contest.

Here is one man's choice, in order of selection:

Margaret French
Melba Law
Billie Elston
Louise Hawkins
Virginia Lea Marmande
Pat Sibley
Melba Jean Pope
Marilyn Calendar
Dede Hart
Anne Smith

Quite without regard for any comparative ranking of them, I'd like to say simply that the ten girls constitute, collectively, a bevy of American beauties showing character and personality in their features, and all seem to have that spark of intelligence that makes for a truly charming woman and without which mere facial beauty is a meaningless thing.

Cordially yours,

A. Varga

Playing an important part in the impressive string of victories won by the Demon football squad this year, Normal's six energetic and capable cheerleaders rendered invaluable service to the school and established an enviable reputation for themselves.

THE "N" CLUB

The "N" Club is another old and outstanding organization on the Normal campus. The "N" Club is an honor organization for athletes who have received a letter in one of the varsity sports. As in previous years, the present "N" Club has approximately forty members, all of whom have met the requirements of scholarship and ability which the organization enforces. Quite a few "N" Club men have graduated only to return later to accept positions with the college. Among these men are President Joe Farrar, Harry Turpin, J. W. Webb, H. J. Colvin, L. S. Miller, S. W. Nelken, and A. L. Ducournau.

Benton picks up a few yards that help win the L. I. C. crown.

THE 1942 SEASON

Normal, 0; L. S. U., 40

The Demon football team was an unknown quantity when it traveled to Baton Rouge for the season's opener against L. S. U. Although the backfield was known to be strong, the line was largely composed of sophomores. But the locals, while losing, 40-0, to the powerful Tigers, showed themselves to be surprisingly strong. Featuring the passing of Alvin Dark, Ole Lou had little difficulty in scoring enough points to win easily but the Demon line held together well throughout the game. A Normal drive produced a threat early in the second half as Bambrick and Benton carried the ball 53 yards without losing the oval, but a fumble on the L. S. U. 7-yard line ended the threat.

Normal, 13; East Texas, 0

Opening their home season, Coach Harry Turpin's charges won their first victory of the season when they outscored East Texas, 13-0. The Texans stayed in the air throughout the game but failed to cross the Normal goal line. The Demons scored in the second quarter when Ed McDermott intercepted a Texas pass and raced 25 yards for a touchdown. Early in the third quarter Tommy Bambrick added the local eleven's second touchdown when he climaxed a 54-yard drive with a three-yard dash through the line. Davis added the extra point.

Jantz, McDermott, Gerson, Stiles, Prather, King,
Kilpatrick, Meager, Lutgring, Townsend.

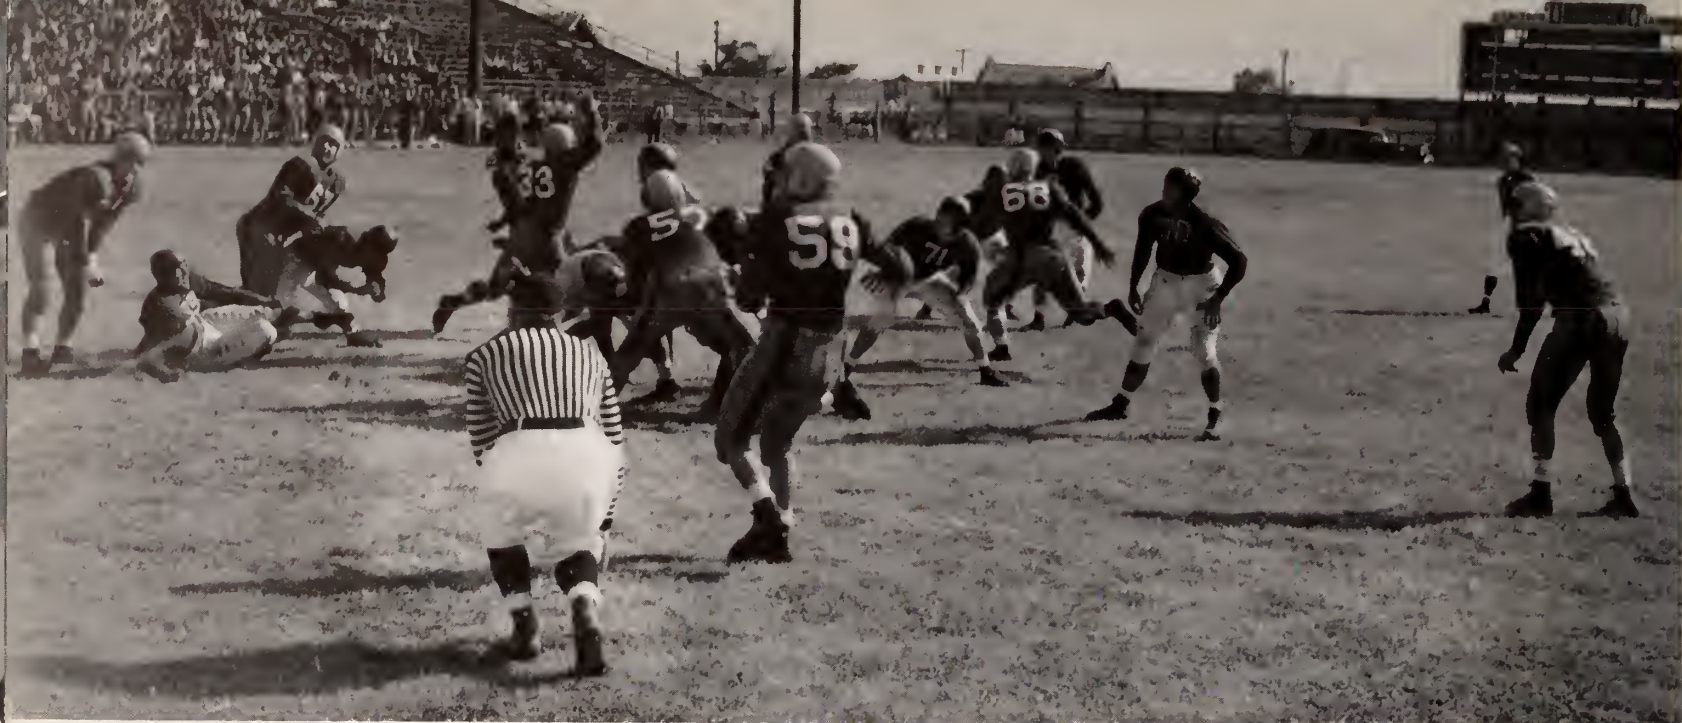

Barkate, Tarlton, Nicosia, Bollier.

... and Tech was no longer unscored on.

Three bearcats stop Carbo—sometimes.

Band a la State Fair.

Davis' educated toe rubs salt into Tech's wounds.

Normal, 26; Sam Houston, 7

For the second consecutive week the Demons stayed at home to meet and beat a Texas team. The Sam Houston Bearcats went down, 26-7, as Normal took its second victory. Scoring twice in the first half and twice more in the third and fourth quarters, the Demons dispelled all doubt of their scoring punch. The coaches used reserves freely and concentrated on passing. Sam Houston scored from the two-yard line late in the fourth quarter after a Demon back fumbled an intercepted pass at that point.

Normal, 68; Camp Beauregard, 0

Several starters were on the bench nursing injuries when the Camp Beauregard squad invaded

Natchitoches to play the Demons but the remaining first-stringers, aided by freshmen and other reserves, were good enough to score ten touchdowns and overwhelm the soldiers, 68-0.

Normal, 10; Tech, 6

The Demons' most important game, that with the Tech Bulldogs, was played this season at the State Fair in Shreveport for the sixth consecutive year. The Bulldogs were riding the crest of an untied and unscored-on season, with a formidable offense that had riddled all previous opposition. The Normal eleven kicked off, quickly took command of the game, and scored in the closing minutes of the first quarter as Johnson went over from the Tech 15-yard line. Davis converted and the Tech goal line had been crossed for the first time. In the second quarter the locals scored again when Davis split the uprights with a field goal after the Bulldogs had staged a determined goal-line stand that prevented another touchdown. The Techsters scored in the third period when a pass-interference ruling set the stage for a 10-yard run that carried across the Normal zero stripe. The attempted conversion was blocked. The fourth quarter was uneventful and the final score showed the Demons still in the lead, 10-6.

Scott gets in a "Lions' pen."

Normal, 7; Southeastern, 6

The Demons continued their drive for the Louisiana Intercollegiate Conference championship with a close 7-6 win over the Southeastern Lions as the two teams battled on a muddy Normal field before a small "N" Club Homecoming crowd. The Demons scored first when Scott went seven yards for a touchdown in the third quarter. Davis converted. The Lions romped back down the field to tally soon after the Normal touchdown but failed to convert. Four Lion penetrations of the Normal 10-yard stripe in the fourth quarter left the outcome in doubt until the final whistle but some timely defensive work on the part of the Demon line saved the day.

Normal, 11; Southwestern, 6

The Demons assumed the role of underdogs once more as they traveled south to Lafayette to play Southwestern's big, experienced squad for the championship of the Louisiana Intercollegiate Conference. The Bulldogs boasted a better record against mutual foes and were playing at home but the Normal eleven dominated the game from the opening kick-off.

The Demons scored on the first ten plays of the game when Bambrick bulled his way across the downstate zero stripe. Southwestern came back to tie the score at 6-6 in the second quarter but after that the outcome was never in doubt.

In the second half Davis booted a field goal to give the Demons the lead and later Ed McDer-

mott snagged Votier, of the Bulldogs, for a safety and two points that made the final score 11-6 in favor of Normal.

Normal, 0; Ouachita, 6

With the conference championship in their possession, the Demons traveled to Arkadelphia, Arkansas, for their last game to take on the formidable Lions of Ouachita College. A second-quarter shoe-string catch of a 20-yard pass was good for a Ouachita touchdown and the margin of victory between two evenly-matched teams.

Carbo and another gain for Normal.

L. S. U.'s Dark stopped cold by the Demons.

Johnson wins the 220-yard dash.

Coach Harry Turpin's 1942 track team was, as usual, a power among the small college teams of this area. Opening their unusually short season at the Southwestern Relays, the Demon spikemen won one dual meet and lost one before taking second-place honors at the annual L. I. C. meet.

Although no championship was awarded in the

THE 1942 TRACK SEASON

Southwest Relays, held in Lafayette, the Normal team made a strong showing against some of the top-ranking teams of the Southwest. A dual meet with Louisiana Tech in Ruston followed with the Demons more than doubling the score of the Bulldogs. Another dual meet, with Southwest-

ern in Lafayette, was not so successful, as the Normal representatives were shaded in a fast contest.

The Louisiana Intercollegiate Conference meet was held in Natchitoches in 1942 and the Demons ran a close second to the powerful Bulldogs of Southwestern. Tech and Southeastern finished, far behind the leaders, in third and fourth places.

TENNIS

1942 L. I. C. CHAMPS

The 1942 tennis team continued its domination of L. I. C. tennis circles, begun in 1939, by sweeping to a third consecutive championship of the three-year-old conference and thus gaining permanent possession of the L. I. C. championship trophy. The undisputed victory in the conference tournament, held at Alexandria on May 15 and 16, climaxed an undefeated season of dual meets within the conference. Dual engagements with the powerful Ada and Durant, Oklahoma, squads were the only matches lost by the Demon racqueteters.

WILSON

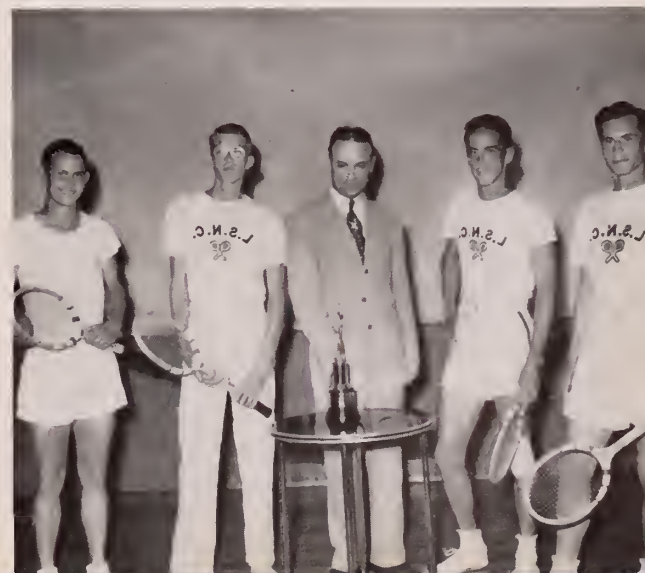

ANGLE

BOLTON

Perry Angle, Normal ace, and Billy Bolton, playing number two for the Demons, won their second conference doubles championship at the L. I. C. tournament and both men turned in outstanding performances in singles throughout the season. Angle won third place in singles at the tourney, behind Kenneth Wilson who took second-place honors. Wilson was a consistent winner in the number three position throughout the season. Earl Williamson, playing number four, was new to the team but won several matches in dual meets and advanced to the quarter-finals in singles at Alexandria. Wilson and Williamson contributed to the Normal victory with a fourth place in tournament doubles competition.

Williamson, Wilson, Kyser, Angle, Bolton.

MEN'S PHYSICAL EDUCATION

In keeping with the campus-wide war-time preparedness program, every man at the college who was eligible for military service was required to enroll in a daily physical education class this spring under the direction of Coach Alvin "Cracker" Brown.

The class program was designed to toughen local men students for military service. That it did.

The first nine weeks of the course were devoted to basketball and gymnastics competition while the last nine weeks were given over to track and swimming. An added feature was the military drill competition between the various teams into which they were divided.

With attendance requirements strictly enforced, practically every enrollee was subjected to the entire course.

Although the program was the most

extensive ever staged here, errors were few and the course was definitely a great step forward in men's physical education for non-majors. Removing the physical education classes from the category of the insignificant inconveniences common to all curricula, the new program came to be regarded as an essential part of the training given men by the college.

Best of luck to all

If the 1943 "Potpourri" has proved itself a worthy supplement to those "Potpourris" which have gone before, much of its success must be accredited to the following persons who have given their valuable time and untiring energy. We wish to express our sincerest appreciation to:

Mr. E. R. Newcomb of Alexandria, La., who contributed the portraits for the class, beauty, and organization sections.

Mrs. Daisy Abbott, Miss Charlie Bridges and Mr. P. E. Dozier and the staff of the Shreveport Engraving Company for their many helpful suggestions and fine work.

The Benson Printing Company, particularly to Mr. Dan Eadie and Ed Benson who had the will to stick it out with so many changes from the original plans.

Mr. Charles Cunningham, Faculty Adviser of the "Potpourri," who took care of the financial worries and contributed much time and helpful advice.

Special thanks go to those merchants whose advertisements follow this page, since their contributions mean much to any annual.

THE STAFF.

Dear "Moses"

Remember me!
I was often your "man" in
square dancing classes
and we had a lot of fun in the
coop. It has been swell knowing
you and I think you are a swell
girl. Best of luck and lots of success
always.
